INSTRUCTIONS FOR ELECTRONIC MEET ENTRIES USING HY-TEK

Below is a link for one-time use software access to do electronic entries for the Brophy/Xavier Swimming & Diving Invitational. If you don't have Team Manager (TM), you can use the TMLite software which will allow you to submit electronic entries which ensures accuracy. You can access this software at: www.hy-tek ltd.com/swim/. Follow directions on the TMLite download.

Once at the site, go to **download center** under Swimming choose **Lite** under Team Manager 5.1 Save it to some place on your hard drive. Then open the database and do the following:

- **Set up your team** - once database is open, go to **Teams** Menu bar and click **Add New Team** then enter your team information
- **Set up your athletes** - once in database, go to **Athletes** Menu bar and click **add new athlete** (you have manually enter each athlete) - basic info is enough.
- **Import the meet:** You will need a **zipped "event file"** provided by Brophy. It will be provided to you by email and it will also be posted on our website at www.phoenixswimclub.org Save this zipped "event file" to your hard drive- Go to **File** Menu, click on **Import** and **Meet Events** then click on this zipped file saved on your hard drive.
- **Doing your entries** - Click on **Meets**, then click on the meet, and finally click on **Entries** and pick to do entries by **Event** or **Name** and then enter entry time
- **Export your entries** by going to the **File** Menu bar and click on **Export** and **Meet Entries**. You will create a zipped entry file which you must save to your hard drive and then email it as an attachment to slee@phoenixswimclub.org
